Dear Ms. Anderson:

On September 30, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 9, 1998 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule H3 of your report discloses a transfer(s)-in from a non-federal account(s) for events - 313-325-385 which appears to exceed the permissible amount(s) indicated by your allocation ratio for these events. Please be advised that transfers for shared activity must not exceed the non-federal share of the joint disbursements and that these transfers must be made within a 70-day time period: no more than 10 days before or 60 days after payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(e)(2) Please clarify the nature of these transfers-in from the non-federal account.

The Commission recommends that you immediately transfer the total excessive amount received by your federal account back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.
